## Terms of renting and camp site regulations

### 1. Arrival and departure times

Tenants can have access to the camp site from 14:00 hours on the arrival day, till 13:00 hours on the departure day. For earlier arrivals or later departures consultation with the caretaker is necessary. Camping is not allowed between Nov. 1 and March 15.

### 2. Arrival sign up

- a. Upon arrivals for staying overnights, the filled in night register has to be given to the camp staff for put in the mailbox of the camp staff building.
- b. Before the camp site can be entered, the leader of the group needs to report to the camp staff/caretaker.
- c. The tenant can use the camp site when:
  - i. A digital reservation form is in the possession of the letter.
  - ii. The send booking confirmation is paid in full.

### 3. Accessibility

- a. Cars are not allowed on the site. This means also not for loading and unloading. Parking is only allowed outside the gates of the camp sites. Trailers, boat trailers, etc. can be pushed by hand on the camp sites.
- b. Bicycles can be parked on the left side of the main gate upon entrance.
- c. The camp staff has a hand cart, which can be borrowed to transport materials.
- d. There is no way to charge electric cars.

### 4. Garbage

- a. Upon arrival a small blue garbage container and garbage bags are given to the tenant to use during their stay. Domestic garbage must be put in garbage bags and disposed in the waste container directly inside the main gate. For paper, cardboard, etc. and for glass separate containers are located at the inside of the fence at the main gate.
- b. Milk and juice cartons needs be flattened and disposed in the general waste container.
- c. All other garbage (tents, chairs, etc.) is not allowed in the general waste container and needs to be disposed by yourself (take it home or bring it to a waste relay station).

Waste relay stations:

Zeewolde: waste relay station Trekkersveld, Industrieweg 41

Wednesday 9.00 - 17.00 hours

Friday 9.00 - 17.00 hours

Saturday 9.00 - 15.00 hours

- d. Garbage which is found outside the waste container after departure of the tenant, will be disposed by Harderhaven. The tenant will be sent the bill.

### 5. Liability

Scouting Nederland, Scouting Label terrain Harderhaven and her volunteers cannot be held liable for personal injury and/or property damage, in whatever form, associated with the use of the label terrain Harderhaven.

## 6. Terrain usage (general)

- a. The terrain, the paths and terraces on site should be kept clean. When leaving this must be checked and any cigarette butts, candy wrappers, etc. needs to be removed. The starting point is that building and grounds will be left neater as that is was when you arrived!
- b. It is not allowed to use the grass field in front of the main building for activities by tenants of camp sites.
- c. The usage of sound equipment is prohibited. In special cases can, after consultation of the camp staff/caretaker, the usage be allowed.
- d. The use of the swimming water is at your own risk.
- e. Swimming in the area between the two main jetties is allowed. The quality of the swimming water is general of good quality. Showering after swimming is always recommended.
- f. Fishing is allowed without a permit for juveniles (under 16 years of age). From 16 years and up, a fishing permit is needed!
- g. For all matters, which are not dealt within these regulations, you are obliged to follow the instructions of the camp staff.
- h. You can always turn to the camp staff when you have questions or remarks.
- i. Pets are not allowed on the camp sites and in the main building.
- j. The instructions given by the camp staff and the caretaker concerning your stay on the camp site and the cleaning of the toilet buildings needs to be followed.
- k. The digging of holes and ditches in the ground is not allowed. For cooking fires you need to make a table fire. Afterwards all ash and wood pieces needs to be disposed of.
- l. Campfires are only allowed on the designated areas, when the wind is not coming from northeast-southeast direction, sufficient extinguishing materials are present and the camp staff is consulted.
- m. Showers are present in the toilet buildings. These work with 0.50 euro coins.

## 7. Camping/bivouac

- a. The camp site, the toilet building, etc. needs to be cleaned and tidy at departure of the tenant
- b. When the staff of Harderhaven needs to make additional efforts to clean the terrain and or toilet building, the costs will be billed to the tenant.
- c. In the event of calamities, the emergency services needs to have a free access way to the back of the terrain (access paths in straight lines with a minimal free passage width of 2,5 metres in the bends)
- d. The terrain can offer space for up to 150 persons to camp, therefore the team of Harderhaven reserves the right to combine groups on camp sites. In the event the tenant is against this, it has to be reported at the reservation. The minimal renting fee is then taken as 40 persons per night, to guarantee the private use of a terrain.
- e. Each camping group needs to have its own (small) fire extinguisher

## 8. Spending the night

- a. Only tents are allowed on the camp sites. These can only be placed, moved, replaced or removed after consultation of the camp staff/caretaker.
- b. Damages made to third parties by or during the transport of the tent on the terrain is at the expense of the tenant of the camp site.

## 9. Fellow users and neighbours of Harderhaven

The scouts centre has often many people spending the night and is also located close by residential houses. Therefore between 23:00 hours and 7:00 hours it has to be quiet.

If there is a dropping or a night game that is within the quiet hours, the camp staff has to be consulted.

## 10. Departure

At the departure the responsible person will report to the camp staff/caretaker. He or she will check the camp site and toilet building and will bid you farewell.
